### **About Magal Security Systems Ltd.**

Magal is a leading international provider of comprehensive physical, video and access control security products and solutions, as well as site management. Over the past 45 years, Magal has delivered its products as well as tailor-made security solutions and turnkey projects to hundreds of satisfied customers in over 80 countries - under some of the most challenging conditions. Magal offers comprehensive integrated solutions for critical sites, managed by Fortis- our 4th generation, cutting-edge physical security information management system (PSIM). The solutions leverage our broad portfolio of home-grown PIDS (Perimeter Intrusion Detection Systems), Symphony - our advanced VMS (Video Management Software) with native IVA (Intelligent Video Analytics) and EAC (Electronic Access Control) security solutions.

### **About LD Micro**

Back in 2006, LD Micro began with the sole purpose of being an independent resource to the microcap world. What started as a newsletter highlighting unique companies, has transformed into the pre-eminent event platform in the space.

The upcoming "500" in September is the Company's most ambitious project yet, and the first event that is accessible to everyone. For those interested in attending, please contact David Scher at [david@ldmicro.com](mailto:david@ldmicro.com) or visit [www.ldmicro.com](http://www.ldmicro.com) for more information.
